Barcelona is a fantastic city that particularly appeals to Gap Year students. There are many sights to see in Barcelona; the gothic quarter, Gaudis unfinished masterpiece the Sagrada Família, Park Güell and Casa Batlló not to mention endless museums and the world renown walkways of Las Ramblas lined with flower markets and street entertainers.

At night the city exhibits a unique zest for nightlife and entertainment, from alternative night clubs to traditional flamenco clubs, restaurants galore, cafes and tapas bars. With 4 km of beach, and a good climate Barcelona offers the perfect setting for Gap Year students wanting to explore the delights of Catalunya's best known city, whilst improving their Spanish.

The school is located just 5 minutes from the Plaza Catalunya and occupies 6 floors of a town house. Facilities include; 40 air-conditioned classrooms, a library and study centre, computers with internet access and a staff room. The school also has a snack bar serving hot and cold food all day and a roof terrace to relax during breaks. Wi-Fi can be found throughout the school. The Spanish teachers are all native speakers of Spanish, with University degrees, who specialise in teaching Spanish as a second language.

Vicky: Languages for Life

"What an experience. If I was to do it all over again, I'd keep a vocabulary notebook and jot down all the words I learnt, adding to it every day, and review every week what we'd done in class. However in reality, there is so much to see and do in the city and so many great students to get to know - studying in Barcelona Is just phenomenal!"
