Madrid, home to 5 million inhabitants is the capital of Spain, is a city of fabulous contrasts. Famed for its Bourbon architecture, its bars and restaurants, world renowned museums and it's old town, Madrid appeals to all tastes and interests. Students love to grab a coffee in the Plaza Mayor, take a stroll in Retiro Park or hit the shops on Gran Via. Madrid College Two really suits Gap Year students and students looking to improve their Spanish and prepare for the DELE exam.

The school is located in central Madrid, just 5 minutes walking distance from the University area and Plaza de Espana. The centre is situated in a well-connected area by bus and subway. There are 40 modern classrooms, a large common room, a study hall with Internet and email access, 20 computers online and 7 TV/videos, a reading room and a well equipped library and video library. The Spanish teachers are all native speakers of Spanish, with University degrees, who specialise in teaching Spanish as a second language.

John: Languages for Life

"What a great 4 months! The best part of my Gap Year! I loved living in Madrid, learning so much Spanish (I only had a GCSE when I started - so in fact had next to nothing before the course!), meeting so many other students, partying at night. Not so keen on learning grammar (yes, I know it has to be done - but can't say I enjoyed it as much as chatting in Spanish with friends in a bar at night. I guess there has to be some rough with the smooth!"
