Salamanca 'The Golden City'. It is a vibrant and lively University City, which makes it the perfect location to spend your Gap Year learning Spanish. There is an abundance of history and culture in Salamanca. Its streets are lined with beautiful sandstone building, endless tapas bars, nice restaurants and shops make it a favourite location amongst our Spanish Gap Year students.

The school is located just 5 minutes from the Plaza Mayor. It has good facilities, 30 classrooms (60 in summer), a staff room, lecture room, a computer area with free internet and spacious sporting areas. Students can relax after Spanish lessons in the lounge area or on the beautiful central patio. Wi-Fi can be found throughout the school. The Spanish teachers are all native speakers of Spanish, with University degrees, who specialise in teaching Spanish as a second language.

# CESA Languages Abroad

## Tom: Languages for Life

*"What a great 3 months! Great people, excellent school and Salamanca was just amazing. I found that everyone enjoys a very active social life. People go out for dinner, to the cinema, go to bars and clubs or just sit and watch the world go by in a café on the Plaza Mayor... just amazing. I'd feared it would be all work and no play, but actually it was the best experience I've had to date."*
