Seville is a dynamic city for all seasons. Party at Plaza Alfalfa or soak up the peace and quiet within the Parque de Maria Luisa. Culture hounds will love the museums & monuments; the cathedral, the labyrinth of narrow walkways and charming patios of the old Santa Cruz quarter are just a few steps away, plus the grandeur of the Torre del Oro & Maestranza bullring.

The college with over 25 yrs teaching experience is centrally located in the historic heart of Seville occupying a fully refurbished Andalucian mansion, with an elegant inner courtyard and excellent facilities. The facilities include 30 classrooms (with air-con), a roof top terrace, free wi-fi access, a multimedia room, a library and an impressive Spanish language bookshop.

The school really suits Gap Year and graduate students requiring longer term courses and preparation for the DELE exam. The Spanish teachers are all native speakers of Spanish, with University degrees, who specialise in teaching Spanish as a second language.

# CESA Languages Abroad

## Katherine: Languages for Life course

"The best parts of my course was realising I can hold a conversation with someone in Spanish, and being in Seville.

Eating out is good and also cheap. The nightlife is fantastic; we started the nights out with a few drinks in the Plaza (the done thing to do in Seville, plus cheap and sociable) and then went onto one of the bars or clubs along by the river. During the day, siesta time is a super safe time to walk around the city. We spent most of our time down by the river, sunbathing again another sociable place to be."
