Valencia is famed for its festivals, Fallas fireworks, futuristic Arts & Sciences buildings, paella and a lively nightlife, Valencia making it popular with our Gap Year students. From the old town, through the university quarter to the city marina & beaches there is plenty to see & do, including Spain's 2<sup>nd</sup> largest art museum or the night life around Paseo Neptuno and the new port in the summer.

This modern college is well located in the University quarter within easy reach of the old town and the beaches. The building has great facilities, 24 classrooms (with air con), a conference room, a computer room with wifi, lounge area, a cafeteria, reading room, library and garden. The Spanish teachers are all native speakers of Spanish, with University degrees, who specialise in teaching Spanish as a second language.

# CESA Languages Abroad

## Jenny: Languages for Life

"Wow! What amazing 2 months. I have much more confidence in speaking Spanish and loved every minute of it. The school was fabulous and I have now have friends from all over the world.

I spent most of my time lying on the beach, eating paella, exploring the culture and partying the nights away.

I can't wait to go back and improve my Spanish some more"
