Course notes	(4) = cultural lessons offered in addition to language tuition Languages for Life Programmes: These long term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. They are very popular with Gap Year students prior to University, graduates and adults looking to take a career break. Standard Programme: Ideal for all age groups (18 yrs +) and all ability levels. Combined Programme: 20 + 10 = 20 group lessons plus 10 private tuition lessons per week Perfect for students and adults looking for the camaraderie of the group programme and the personal attention of private one-to-one lessons. Standard + Arts Programme: Spanish lessons, cultural lessons and 10 arts & crafts lessons per week. Professional instructors, use of workshop facilities and tools, visits to traditional and contemporary artists & local craft markets. Materials are not included in the price, a list will be provided on the first day of class. Private Tuition: 20/40 private one-to-one lessons per week with private tutors. Maximum impact and course intensity. Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills. LINK Programme: Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!
