Course notes

**Standard Programme:** Ideal for all age groups (17 yrs +) and all ability levels.

**Combined Programme:** 20 + 10 = 20 group lessons plus 10 private tuition lessons per week

Perfect for students and adults looking for the camaraderie of the group programme and the personal attention of private one-to-one lessons.

**Intensive Programme:** As Standard Programme, but with additional lessons to further enhance the learning process.

**Private Tuition:** 20/30 private one-to-one lessons per week with private tutors. Maximum impact and course intensity.

Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills.

**Work Experience Programme:** Min 2 week language course/advanced students (longer courses for lower abilities) followed by internship placement. Please refer to CESA Work Experience leaflet for full details.

**LINK Programme:** Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!

Accommodation notes

**Private households:** Select either half board or full board (most students take full board as traditionally lunch is the main meal of the day), single room. Hosts are usually no more than 10/15 minutes walk from the college. A great way to meet local people and practise your Spanish out of class!

**Small hostel:** Clean but basically furnished, located in central Quito, just 20 mins by public transport to the college.
