**Languages for Life Programme:** These long term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. Includes afternoon topic sessions twice a week. They are very popular with Gap Year students prior to University, graduates and other adults looking to take a career break.

**Standard Programme:** Short term group courses for all age groups and ability levels (elementary level+). Includes afternoon topic sessions twice a week.

**Combined Programme:** 20 + 10 = 20 group lessons plus 10 private lessons  
Perfect for students and adults looking for the camaraderie of the group programme and the personal attention of private one-to-one lessons. Will become fully booked in the summer and half-term holidays, early reservations recommended.

**TEF exam preparation programmes:** Students must have the appropriate language level to sit these exams  
Please ask CESA staff to confirm course duration recommended for your level

**Private Tuition:** 20/30 private one-to-one lessons per week with private tutors. Maximum impact and course intensity. Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills. **Not always available during the summer season.**

**LINK Programme:** Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!
