Course notes	For FULL details on the programmes please ask for the "French & Fun" factsheet Standard Programme: Ideal for all students (14 yrs +) and all ability levels. Acquisition of essential French grammar skills and competency in practical language skills plus work on oral and written expression and comprehension, which varies according to the different class groups, levels of ability. Depending on the level of written and oral communication needs of each student, the college staff have created a structured and progressive set of French lessons which are of interest to the student. Based on a modern, communicative style of teaching, students are able to improve their abilities in understanding and expressing colloquial and formal written grammar of the French language. Sailing programmes: Please contact office or ask for French & Fun factsheet for details NB: July and early August are VERY popular , early bookings are essential.
