Course notes	<b>Standard Programme:</b> Ideal for all age groups (16 yrs +) and all ability levels. A solid grounding in general Greek communication skills, pertinent to your language level, is provided over these two or four week sessions. Students are welcome to enrol for two or more sessions, as time permits. Please note that if there are insufficient students to form a class level then the college will offer a reduced number of private language classes for that week or session, as appropriate. Option for self-access study with CD-roms in the computer lab or watching a video in college (up to 6 lesson duration per week). The course includes one traditional meal in a local Greek restaurant and one museum trip during the course. <b>Part time Programme:</b> A less intensive option ideal for those who are living out in Greece already. Offered as a 3 lessons per afternoon course, three times a week for an 8 week period. <b>Academic Year Programme:</b> A 30 week course duration, allows students to gain a deep knowledge of the language and gain a wide personal and educational experience of the Greek culture. <b>Greek Dance &amp; Greek Music lessons:</b> Contact the CESA office for details. <b>Private Tuition:</b> 10/20/30 private one-to-one lessons per week with private tutors. Maximum impact and course intensity. Lessons are tailored to meet your general language needs. <b>Specialised Private Tuition:</b> The ideal course option for people with specific requirements to study Greek for business purposes, Ancient Greek for academic purposes or Teacher Training courses.
