Course notes:

Academic Term Programme: This long term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. They are very popular with Gap Year students prior to University, graduates and adults looking to take a career break. Consisting of 6wks tuition, one week holiday and a further 6 wks tuition = 13 weeks programme in total.

Intensive Programme: Ideal for all age groups (16 yrs +) and all ability levels.

The programme provides students with a comprehensive yet manageable coverage of the Spanish language and culture whilst integrating language into student lives. Be it business jargon, an educational need, a cultural or social matter, the programme aims to make Spanish a part of you. Given time, these courses will move you from any point to fluency.

From daily situations to specialized fields, our goal is to maximize your usage of Spanish in a multi-cultural environment. There are three elements to these Intensive courses (four if you include the Optional classes)

- * Core Intensive Spanish Language Class (3 hrs.)

Students are placed in small Spanish classes of homogeneous students grouped according to their previous level of Spanish fluency, their ability to communicate, their origin, and their ages. We subscribe to the "Group Five System" in which no more than 5 students are assigned to one professor. Thus, professors can give their students personal attention.

The Spanish Class focuses on 4 main skills: speaking, listening, reading, and writing.

- * Latin American or Grammar Courses (2 hrs.)

This is a flexible option that allows the students to choose from an assortment of classes in the following areas of study: Art, Business, Education, History, Latin-American Studies, Linguistics, Literature, Political Science, Psychology, Religion, and Spanish grammar.

- * Cultural Lectures or Conversation (1 hr.)

This component is designed to improve students' listening and conversational Spanish Language skills and cultural awareness by corrected discussions on topics like holidays, festivities, and family life. Students are encouraged to compare and contrast their own culture with their experiences in Mexico. The class targets specific vocabulary development and conversational skills.

- * Optional classes

Boost your Spanish knowledge by enrolling in one of the many optional classes available in the afternoon from 2.20 p.m. - 4 p.m., Monday to Thursday at no extra cost. These classes provide additional enrichment and better understanding of the Spanish language. Classes range from pronunciation to advanced grammar and/or conversation workshop. Upon request, students may enroll in one hour per week of individual attention in grammar, concentrating on areas of individual weakness.

Private Tuition: Three courses to choose from offering maximum impact and course intensity. Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills.

Course ONE: 45 private lessons per week (which can include lunch with the tutor as a lesson option).

Course TWO: 30 private lessons per week.

Course THREE: 15 private lessons per week

LINK Programme: Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!

Private household accommodation: The most popular option for students of all ages! Stay with local Mexican hosts on a full-board basis, no more than 15 minutes from the college (by car). There are three standards of housing on offer:-

- Option 1 = Single room in a private household, full brd, with en suite bathroom in a luxurious home + garden + pool
- Option 2 = Single room in a private household, full brd, with shared bathroom in standard home with a nice garden.
- Option 3 = Smaller private household, full brd, shared room (student of same gender) and shared bathroom

Residential apartment: Single room, en suite bathroom, full board, swimming pool and garden.

Just a few minutes walk from the college, the apartment becomes booked up well in advance, so please book very early to avoid disappointment. Not available from mid-May to end of July.

Hotels: Costs vary depending on style of room and the time of year you take your programme.
