Books & Materials To be advised.

Course notes MSA/Modern Standard Arabic = the language of the Arabic news media, written correspondence and documents, literature and formal speech.

The college teaches MSA to students not CMA/Colloquial Moroccan Arabic = the local Arabic dialect

Accommodation notes Generally located with 20 mins commute to the college.

**Simple apartments:** Caters for 5/6 students with a bathroom, basically furnished kitchen, shared room (friends only) or single rooms.

**Higher standard apartments:** As above with better standard of furnishings, nicer bathrooms and several are located within the school grounds (so are in high demand).

**Hosts/Private households:** A fabulous experience and a real cultural insight but please note hosts are not "standardised".

You are expected to participate in your hosts lives, not bend their ways to suit your own. If you feel that lack of privacy,

unfamiliar meals, noise from a TV or the radio or lack of private study space would not suit you, this may not be the option

for you. However the positive experience of living in the heart of a Moroccan household comes highly recommended for

those who are willing to accept the limitations on personal freedom that comes with it.

**Local Hotels:** You can choose to stay in good standard Hotel.
