Academic Year Programme: With a minimum 24 week course duration, these programmes allow students to gain a deep knowledge of the language and gain a wide personal and educational experience of the Spanish culture.
Languages for Life Programme: These long term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. They are very popular with Gap Year students prior to University, graduates and adults looking to take a career break.
Standard Programme: Ideal for all age groups (16 yrs +) and all ability levels.
Intensive Programme: As Standard Programme, but with additional lessons to further enhance the learning process.
Combined Programme: 20 + 10 = 20 group lessons plus 10 private tuition lessons per week
 Perfect for students and adults looking for the camaraderie of the group programme and the personal attention of private one-to-one lessons.
DELE Programme: Preparing for the exams in May and November each year, exact dates known from Jan each year.
Over 50 Programme: A great opportunity to study with your peers and learn about Spain's Art and culture. A variety of trips and excursions are offered as are special flamenco and cookery classes. NB: Should there be insufficient students to form a group, classes will be merged with normal Standard programmes.
Private Tuition: 5:30 private one-to-one lessons per week with private tutors. Maximum impact and course intensity. Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills.
LINK Programme: Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!

Accommodation notes **Private households:** single or shared room accommodation with local Spanish people, on half or full board basis. Allow for a 10/25 minute commute each way. Good opportunity to practise your language skills with native speakers.
Shared apartments: Sharing with international or Spanish students, communal kitchen & bathroom and own bedroom.
 Accommodation proximity to college: Typically 15/25 mins by bus from college
