Course notes	Languages for Life Programme: These long term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. They are very popular with Gap Year students prior to University, graduates and adults looking to take a career break.

Standard Programme: Ideal for all age groups (16 yrs +) and all ability levels. Very popular course option year round, but particularly so in the warmer months. Early bookings recommended for July/August.

Intensive Plus Programme: As Standard Programme, but with additional lessons to further enhance the learning process.

DELE Programme: Preparing for the exams in May, August and November each year, exact dates known from Jan 08

Spanish & Civilisation: 20 lessons per week, designed for students interested in Spanish history, society, geography and art. The additional elements of this course are incorporated within a standard course format. Students must be of High Intermediate level.

Spanish & Literature: 20 lesson per week, designed for students interested in studying the history of Spanish literature. The additional elements of this course are incorporated within a standard course format. Students must be of High Intermediate level.

Refresher for Teachers Programme: Bring your Spanish skills up to date with practical teaching, methodology, historic/social realities of Spanish life. A range of topics can be covered: customs, history, art, literature, sociology and politics. Ample bibliographical information available.

Business Spanish Programme: Prepare for the MCCI exams on this programme, aimed at uni. graduates and professional people with intermediate/advanced Spanish who need to develop commercial, admin, tourist or business Spanish skills. Exams held on last day of course. The same format can be offered on a private tuition basis, throughout the year (the exam can be sat on a date that then fits in with your plans).

Over 50 Programme: Study with your peers in a relaxed and motivating fashion. Fifteen language lessons + an activity programme from Monday to Friday (sample activities: a sight seeing tour of Nerja, Sevillanas dance class, visit to Frigiliana, wine tasting, visit to a typical fish restaurant, seminar on bull fighting, a cookery class and a Sevillanas dance show) and one full day excursion to Seville or Granada.

Private Tuition: 20/30 private one-to-one lessons per week with private tutors. Maximum impact and course intensity. Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills.

LINK Programme: Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!

Accommodation notes

College residence: Just a few minutes on foot from the college. Choose from single, shared or higher standard room options (all with private bathrooms). Lovely modern building, in typical Andalucian town house style, with lift, private courtyard and plunge pool for student use on the roof. Students can have halfboard if staying at the Residence at a supplement of £69.00 per week. Please let us know if you require this in advance. Very, very popular - you really must book in advance for the summer period!

Private households: Single room or shared room accommodation arranged (whether travelling alone or with a friend) with half-board (breakfast and lunch). Hosts normally take 2 students at a time. Hosts are normally 5 to 20 minutes on foot from the college and within easy reach of the many beaches.

Half board = Breakfast & lunch. Dinner is sometimes available on request (but the majority of students will book the breakfast/lunch option). If following a programme of 25 lessons or more (per week), discuss changing to breakfast and dinner with CESA as it may be easier for you.

Fiat share: Choose from single or shared rooms in an apartment with other students in Nerja. Communal use of kitchen and bathroom. Simply furnished accommodation, rarely more than 20 mins from the college on foot.
