Course notes	**Academic Year & Languages for Life Programmes:** These long term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. They are very popular with Gap Year students prior to University, graduates and adults looking to take a career break. **Standard Programme:** Ideal for all age groups (16 yrs +) and all ability levels. The main goal, across all lingistic levels is to improve student communicative skills. The emphasis of classroom activities is therefore the development of the students' abilities to speak and understand spoken Spanish. For this reason, classes are conducted entirely in Spanish and students are given plenty of opportunity to practise the sort of language they are likely to need outside the classroom. The object is not to just "know" Spanish, but to be able to use it! Attention is also paid to grammar, vocabulary, reading and writing skills, and a wide variety of materials will be used including published materials from many sources as well as materials which have been written by our own teachers. While the atmosphere in the classroom is generally relaxed and informal, students should be prepared to work hard and participate fully. NB: Jan, Mar & Dec start dates marked by a "*"indicate a week which includes 2 public holidays and so a special 3 day week means a discounted price during this week. **Spanish & Sailing:** This course combines the Standard programme in the morning and 15 lessons of Sailing over each week. Students can choose between group sailing lessons or private tuition lessons. Insurance for sailing course is included. Courses to suit all sailing levels (inc beginners) and all equipment hire is inclusive, through the sailing school. Transfers to and from sailing school charged at local rate in Palma. **Combined Programme**: 20 + 10 = 20 group lessons plus 10 private tuition lessons per week Perfect for students and adults looking for the camaraderie of the group programme and the personal attention of private one-to-one lessons. **Over 50's Programme**: 15 lessons per week + an activity programme including a tour of the Modern Art, Museum, a full day trip to the Drac Caves and a meal in a typical Palma restaurant. **Private Tuition:** 10/40 private one-to-one lessons per week with private tutors. Maximum impact and course intensity. Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills. **LINK Programme:** Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!
Accommodation notes	Private households: single or shared room accommodation with local Spanish people, on half or full board basis. Allow for a 15/30 minute commute each way. Good opportunity to practise your language skills with native speakers. **Shared apartment** rooms are ONLY for 18+ yrs and need to be booked well in advance. A deposit is required in apartments from all students, once in Palma. **Executive household option**: En suite bathroom, open to adults only, limited availability Accommodation proximity to college: Generally 15/30 mins, one way, by public transport.
