Languages for Life Programme: These long term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. They are very popular with Gap Year students prior to University, graduates and adults looking to take a career break.

Standard Programme: Ideal for all age groups (18 yrs +) and all ability levels.

Intensive Programme: As Standard Programme, but with additional lessons to further enhance the learning process.

Spanish & Scuba Diving for Beginners: Standard Course combined with 5 day theory course (in Spanish), approx. 4 hrs per day, 3 days of sea immersion, approx. 4 hrs per day, 1 day final test. Accident insurance included, all equipment provided, transport from/to school to diving sites included. Course leads to diploma and provisional P A D I Certificate of Open Water Diving. Students must have reasonable swimming ability and none of the following conditions;

heart trouble, asthma, lung obstruction or other pulmonary problems, diabetes or hearing difficulties.

Spanish & Scuba Diving, Advanced Course: Standard course plus 1 deep immersion, 1 immersion from boat, 1 underwater orientation immersion, 1 night immersion, 1 immersion at shipwreck. Accident insurance included, all equipment provided, transport from/to school to diving sites included. Course leads to diploma and provisional P A D I certificate.

Private Tuition: 10/20 private one-to-one lessons per week with private tutors. Maximum impact and course intensity.

Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills.
