In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. They are very popular with Gap Year students prior to University, graduates and adults looking to take a career break. **Standard Programme:** Ideal for all age groups (16 yrs +) and all ability levels. **Intensive Programme:** As Standard Programme, but with additional lessons to further enhance the learning process. **Combined Programme**: 20 + 10 = 20 group lessons plus 10 private tuition lessons per week Perfect for students and adults looking for the camaraderie of the group programme and the personal attention of private one-to-one lessons. **DELE Programme:** Preparing for the exams in May and November each year, exact dates known from Jan 06 **Business Spanish:** Aimed exclusively at intermediate plus ability levels it is an ideal programme for business people or students who wish to improve their Spanish for the working environment; 20 lessons of Spanish business study and 5 cultural lessons per week (in blocks of 2 or 4 weeks). Specialised subjects proposed include; business companies structure & financial management in Spain & Latin America, commercial relationships, banks, financial operations & UE financial institutions, marketing and advertising, international trade, the stock market, the tourism market, the Spanish labour market, tax legislation & Spain and the European Union. **Private Tuition:** 5/30 private one-to-one lessons per week with private tutors. Maximum impact and course intensity. Lessons are tailored to meet your specific needs i.e. preparation prior to exams, practise prior to a business presentation or a new job, or concentration on communication skills. **LINK Programme:** Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!
