Course notes:	Languages for Life Programmes: These longer term courses allow students to focus on all aspects of the language over several months. In-depth study over an extended period ensures better mastery, subtler understanding and far greater long term retention of key language skills. Standard Programme: Ideal for all age groups (17 yrs +) and all ability levels. Intensive Programme: As Standard Programme, with additional afternoon lessons to reinforce language skills studied. DELE Programme: Preparing for the exams in May and November each year, exact dates known from Jan each year. 20 lessons of General Spanish plus 10 private DELE Preparation lessons per week. For Intermediate and Advanced levels ONLY. Exam fees not included. Teenage Programme: A great combination of morning lessons aimed specifically at teenagers and free time activities, such as sports, afternoons at the beach, fiestas, 1/2 day excursions to natural reserves, a half day and one full day excursion per week to Arifa or Bolonia, Cadiz, Seville or Cordoba. Horse riding or tennis are optional, upon request. Full board is included in shared rooms with local selected hosts. Flamenco Dance & Guitar lessons: Discover the authentic delights of Flamenco in its own natural setting. Combine a Spanish programme with private flamenco dance or flamenco guitar classes. The programme includes videos and films on flamenco material for students and lessons are based at the school. Students need a basic understanding of Spanish, and must have some experience of playing a guitar if not a flamenco guitar, but can be absolute beginners in flamenco dance. LINK Programme: Why not study in two or three locations? You can study for two weeks (or more) in each college on a LINK Programme. Please ask the CESA staff for suggestions!
