Barcelona 2012

Howard : Languages for Life

“The school was ideally situated, very central and near to the metro station. The school building was large, clean and pleasant. The roof terrace café was excellent, a friendly and sociable place. The nightlife is excellent; there were many beautiful, stylish and elegant bars and clubs. The city is packed with very interesting attractions to suit everyone and I was still rushing around in my last week to try and fit it all in.”

Vicky: Standard Course

“What an experience. If I was to do it all over again, I'd keep a vocabulary notebook and jot down all the words I learnt, adding to it every day, and review every week what we'd done in class. However in reality, there is so much to see and do in the city and so many great students to get to know – studying in Barcelona is just phenomenal!”
