CESA Languages Abroad

Buenos Aires 2012

Located in the east of Argentina, beside the Rio de la Plata and surrounded by the Pampas (flat lands), Buenos Aires is a 24-7 city, with wide boulevards, leafy parks, amazing buildings and a great nightlife. There are countless art galleries, theatres, museums & restaurants, but it is Eva Perón, tango and football, for which the city is famed.

The college is well located, in La Recoleta, a smart area of the city. The building has marble stairs, mosaic floors, a terrace & balconies, 18 classrooms, a social area, computer room with free internet access and a patio/barbecue area. With between 85 /130 students studying each month the college offers a friendly language learning environment for ALL linguistic needs from beginner to advanced learner. With classes covering up to 12 language levels, and small group tuition, students are assured of personal attention and great progress.

The college has proved very popular with Gap Year and graduate students requiring longer term courses, as are the Spanish & Tango classes. Whilst students following short courses for career, academic or personal reasons are also well catered for.

Gizelle : Languages for Life

"I had a great time in BA, in part because it's just a great city, but also because of the school. They organised so many activities; city tours, cooking lessons, museum tours, trips to bars, tango shows, football matches & barbecues. The weekend trips to the Tigre delta, Mendoza & Cordoba were also excellent. And the staff were always happy to help. It's the perfect school to improve your Spanish and also a really easy place to meet a lot of nice people!"

Jennifer: Spanish & Tango

"Tango classes are the perfect antidote to Spanish grammar, and Buenos Aires is the perfect place to learn! Okay so I'll never take the dancing world by storm, but having seen the dancers in the street, and visited the tango shows, I'm glad I had a go!"

Jess: Languages for Life

"For anyone who gets the chance to just pack their bag and go on a Spanish language course in Buenos Aires I say please do it. You won't regret it!"
