CESA Languages Abroad

Cannes 2012

With over 70 years of teaching experience the Cannes college offers a wonderful study environment to suit ALL linguistic needs (across 17 language levels on general language courses).

The college is just a 15 minutes stroll to the centre of Cannes Campus facilities include 22 classrooms, on site accommodation in single, shared or triple rooms, a library, student bar, dining room, gym & theatre, with an internet room (with wif-fi), a TV room, a private and shady courtyard with volleyball and basketball court, laundry and private parking.

Cannes is 20 miles west of Nice, on the French Riviera, with golden beaches attracting tourists throughout the year, but particularly in the summer months. The pleasant climate, the chic image, its coastal location and ease of access to the whole of the Cote d'Azur makes it a wonderful language course destination, with particular appeal to students in their teens and 20's. Cannes' high season runs from May (due to the Film Festival) through to late September.

The wide range of French language courses on offer include general language courses, DELF & CCIP exam preparation and the college is always busy (and becomes completely full over the busy summer months). The college suits all language learners and is particularly good for students looking to put their French skills into practise or revise prior to exams and Gap students requiring a Languages for Life course for long term study.

Phoebe: Languages for Life

"Where to start! Well the important thing is the French, which I have every confidence that it has flourished under the instruction of my prof. Katia, who was amazing and extremely patient. The teachers at the college are brilliant, and with lessons taught solely in French, it is a steep learning curve. Every lesson is structured well and it is balanced with a mix of grammar, listening, reading and writing and every month you progress to the next level so the work never becomes boring or too easy. It is always challenging, but I made so much progress every month that you just await the next lesson with impatience as you know you're going to meet something new."

Rachel : Languages for Life

"Cannes is very well situated in terms of accessibility to other towns and is also very lively! Would I go again? Yes! I'd also recommend Cannes to other students; I had some great moments there and made lots of friends!"
