With over 30 years of teaching experience, and over 600 students studying each month the college offers a fabulous campus study environment for ALL linguistic needs from beginner through to the advanced learner (across 10 language levels on general language courses). Cuernavaca is very much a colonial city, an hour+ south of Mexico City, surrounded by hills and cut by narrow, cobbled streets. It is known for its scenery, vibrant and friendly night life, and delightful climate.

The college is located in an exclusive residential neighbourhood in the old town. There are two purpose built campuses, with several dedicated buildings including 33 classrooms, 2 meeting rooms, a library, computer lab (with 48 computers) an infirmary, 2 cafeterias, a book shop, landscaped private gardens and (in keeping with Cuernavaca's tradition) 5 swimming pools and within easy reach of the city centre. The college arranges students "fiestas, a social hour at a local café, Salsa dance classes and Mexican cooking classes as well as a range of trips and excursions, including full day trips to Teotihuacan Archaeological site (world famous pyramids), Taxco (the city of silver), and a weekend trip to Acapulco.

The college suits all language learners, whatever their current ability and the small class size encourages rapid language acquisition.

Gizelle: Intensive Course

“Admittedly before the course I thought that the school policy of only speaking Spanish would be impossible to comply with, it wasn’t and this policy benefited me as I was familiarised with the language. Throughout the course there was an excellent teacher to student interaction also as the teachers were able to master the art of being both professional and sociable.

I was amazed at the beauty of the campus, it was almost as if I had stepped into the Garden of Eden: there was lush greenery and beautiful buildings all around. The students were very friendly and the teachers were excellent. They really made an effort to help students enjoy the experience of learning Spanish. The situation of the school in Cuernavaca was another bonus due to the good weather and friendly city atmosphere.”

Mr Parker: Private Tuition (15)

“I only had a week to spare, but was delighted with the results. CESA was efficient and prompt in helping answer all my questions. The college staff were friendly and the teachers in Cuernavaca were positive and keen to help.”
