Teenager Programmes 2012

Location	Ages	Lessons	Months courses are offered in 2012
Cannes	15 yrs +	15, 20 or 25 x 55	July & August
Hyeres	14/17 yrs	20 x 45	July & August
Antibes	14/17 yrs	20 x 45	Apr, May, Jun, Jul, Aug, Sept & Oct

These programmes are ideal for teenage students looking to revise their French during the school holidays. Emphasis is placed on oral skills and developing higher levels of confidence. Previous French & Fun students have enjoyed the chance to practise their French skills and loved the social environment with its international mix of students.

Courses are very popular and are likely to become fully booked during the July/August period.

Antibes College Campus

Each college offers an individual study environment whereby students can follow a French course with other students of their own age, who are at similar level of French ability. Students are immersed in France, speaking French with native French speaking teachers and the “animateurs” (who help organise the social activities each week – not applicable in Cannes) and are encouraged to socialise and make the most of their time in France. The language lessons are based on songs, films, comic strips or other current documents of interest to stimulate student interest and to keep the lessons dynamic. The programme in Cannes is more academically based than the classes in the other

locations offered. Social activities provide contrast and bring an additional element of fun to the overall programme. All of the colleges are aware that the students are on holiday and therefore do all they can to ensure students enjoy their French experience, both in and outside the classroom.

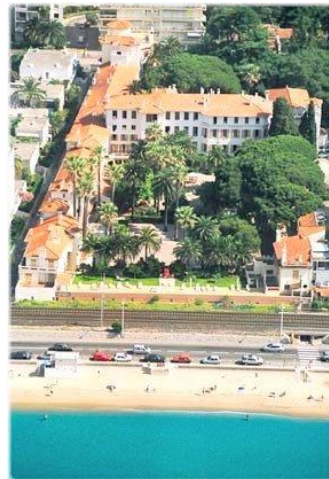

Cannes:

15 / 18+ years old

Learn French in a wonderful Campus college. This college is very highly regarded and always becomes fully booked during July and August – so **early reservations** are recommended.

The town is famous for its international film festival in May. During the summer months enjoy the bustle of the central zone and promenade along the Croisette or the long golden sandy beaches for which the town is best known.

The Campus has an excellent academic record and is a year round language college for students aged 16yrs+, during the summer 50% of the student body will be 15/19 yrs of age. There are a superb range of facilities; both in terms of language learning (a computer room, a college theatre on site and a well stocked library) and generally (a small gym on campus, a nurse on site, a cafeteria, central private courtyard, private sun bathing terrace and student bar), that few other French colleges can match. It is also just a stone's throw away from the beach and a 10/15 minute stroll along the seafront to the centre of Cannes.

Standard Programme:

- 2, 3, or 4 week course
- **18 lessons per week**
- Up to 14 students per class level
- 45 minutes per lesson
- No lessons on the first Monday

In a two week course, there are a total of 32 lessons (unless a day is lost to a public holiday). This is nearly equal to a term of contact lessons at most UK schools.

Intensive or Intensive Plus Programme:

- Two, three or four week course
- **18 lessons plus 8 or 12 additional lessons per week**
- Up to 14 students per class level
- & smaller group PM classes each weekday
- 45 minutes per lesson
- No lessons on the first Monday

These programmes are intensive, incorporating extra work on written and oral French studies that enhance the effectiveness of a shorter course. The additional afternoon classes are perfect for those who wish to use this chance for extra practise in the French language so that they can improve their written and oral skills.

Excursions: A range of activities are offered at extra cost. Students are advised of the options offered each week once in France via a notice board in the Centre. Although the close proximity of the beach and the on site sports facilities tend to encourage most students to make their own entertainment out of class.

Going Out Permission for teenagers: See end of fact sheet for details.

Accommodation

Students aged over 18 can stay with local hosts on a B & B basis, all other students must live on campus. As some 85% of the students live on campus we recommend this option.

Campus Option: Shared room (2, 3 or 4 per room) on campus, half-board (breakfast and lunch at the college cafeteria) with the option to purchase evening meals on site when you wish or the chance to go

into Cannes to eat Pizza with new found friends when so inclined! Full-board also available. Bathrooms are along the corridor, there is no air conditioning and rooms do not have telephones. Students can stay in single rooms (but pay extra for this option).
 Option Two: Single room on campus (remainder of description, as above).

Travel directions:

Arrive: **Sunday** Depart: **Saturday AM**

Fly to Nice and take the shuttle bus to Cannes or the college arranged transfer service from Nice airport, budget for 30/35 Euros for the arrival transfer fee (please discuss with CESA). The return travel is generally made by taxi with others returning to Nice that Saturday and is organised once in Cannes.

It's a 3-minute walk to the beach !

The Cannes college has its own enclosed terrace, with sea view !

Accommodation:

Summer Residence One: Located in a quiet setting, just 2.5km from Central Antibes, this Centre provides buildings of 90 bedrooms, surrounded by superb gardens. The building is a French Lycee, dedicated to Horticulture. It is a busy academic site for the majority of the year and is used as a language college only in the Summer months.

There is a student cafeteria, indoor and outdoor sport ground for basketball and volleyball, an outdoor - above ground - pool and an amphitheatre for evening events! The residence bedrooms are for 2 or 4 students with bathroom & WC's off the corridor (no air conditioning). There are no phones in the rooms, however students have access to a public phone. Summer Residence Campus Two: A newly renovated campus, situated just north of Antibes, some 7km from the city centre and the beaches. This modern campus has a 330 student capacity in the buildings. Again this is a busy academic site, when not used as a language college in the summer period. The campus offers a self-service restaurant, a snack bar, TV room, sports grounds and a large – above ground – swimming pool. The residence bedrooms are for 3 students with their own shower and 2 sinks. WC`s are available along the corridor (no air conditioning). There are no phones in the rooms, however students have access to a public phone. Full board is offered on site (except on excursion days when a picnic is provided instead).

Whilst we do our best to ensure you are placed in the residence of your choice, we cannot guarantee a specific site. Student placement is based on achieving the best mix of age, nationality and language ability in both residences, to ensure the best social and working environment, for every student.

During the Easter, half term and September period.

Students stay in smaller residences with group leaders in single or shared rooms (some very quiet weeks a residence option is not offered). Or housed with local French hosts, who offer breakfast and the evening meal (lunch is taken at the college) and bedrooms are shared (2 students per room). Single room accommodation can sometimes be arranged on request. Students walk to college each day.
