## Hyeres:

9/17 years old

Famed for its palms, its beaches and the wealth of water sports on offer (the winds off the Giens peninsular make it a mecca for windsurfers and sailors alike), Hyeres is a French summer-time paradise, gloriously hot with fabulous beaches, a modern marina and a wonderful old town.

### Standard Programme

- One, two, three or four week programmes
- 20 group lessons per week
- Up to 15 students per class level
- 45 minutes per lesson
- No lessons on the first Monday
- + Sailing Programme

In total there are 36 language lessons over 2 weeks (unless a day is lost to a public holiday). This is equal to a term of contact lessons at your school in the UK. Last year many of the students opted for the Five Day Sailing Programme (5 sessions a wk) rather than the Two Day Sailing Programme.

Four ability levels are catered for, in compliance with the European framework of Reference:

Beginner  
Intermediate: B1-, B1, B1+

Elementary: A1 & A2  
Advanced: B2, C1, C2

### Inclusive

### Sailing Programme :

#### Five Day Sailing programme:

5 afternoon sailing sessions per wk  
(approx. one hour on the water each PM)

#### or Two Day Sailing programme:

two afternoon sailing sessions pr wk  
(approx. one hour on the water each PM)  
plus three afternoons of activities/excursions.

The sailing lessons are arranged through a local, professionally organised Sailing Club and is offered to two age groups: 14 to 17yrs – who use Hobby Cat 16s and 12 to 14 yrs – who use Hobby Cat 13s. Students aged 09 to 13 yrs are welcome to join older brothers or sisters on the French & Fun programmes, but CESA will not take bookings for students aged 13 yrs or younger if travelling alone. Younger students may ONLY follow the Two Day Sailing option.

NB: The college may alter the timetable so that Sailing sessions take place in the morning, and French classes are held in the afternoon, and sailing sessions will be cancelled if wind conditions are too strong. Exact timetable for all students will be decided once in France and individual student ability has been assessed.

## Excursions:

A range of activities are offered as an inclusive part of this programme including 1/ a half-day trip (to Bandol or Le Lavandou for example), 2/ a full day trip to L'iles de Porquerolles, to Marseille or the local Marine Park, and 3/ a weekly barbecue or Crepes party.

Additional activities are offered as a rolling programme of events during the summer at additional cost. Students are advised of the options once in France via a notice board in the Centre. (i.e. water-skiing or horse-riding, all taught through local clubs by certified national qualified instructors).

No activities take place on the first or last day of a course, as the group leaders are busy helping students settle in, or depart at the end of their stay.

**Going Out Permission for teenagers:** See end of fact sheet for details.

## Accommodation:

The college offers a residential based French & Fun centre in Hyeres so that students can attend their classes and live on site. The programme is based in a residence, rented specifically for the purpose by the French language college, during the popular months of July & August.

Set in self contained grounds surrounded by vineyards belonging to the residence, the Centre accommodates 200 students and is 12km from the sailing centre and beaches. The college arranges

a shuttle bus to the sailing centre and the beaches in La Londe (20/30 mins journey) at agreed times each day.

The residence bedrooms are for 2 or 4 students with bathroom & WC's off the corridor (no air conditioning). There are no phones in the rooms, however students have access to a public phone. There is a 16m above ground swimming pool, a TV room, sports grounds for football, volleyball and basketball, a cafeteria and a theatre for evening shows on site.

Students aged 09/11yrs are placed in open rooms (open space dormitory style rooms).

## Travel directions:

Arrive: [Sunday](#) Depart: [Saturday AM](#)

Fly to Nice International and take shuttle bus to Hyeres or the transfer service from Nice airport or Toulon/Hyeres airport or Toulon railway station. The return transfer fee is an inclusive item in the course fees.

Please ensure the flights arrive on the Sunday at a reasonable hour and likewise depart at a reasonable time on the Saturday. Set arrival days/times apply to the Nice transfer service and cannot be altered.

## Nice to Hyeres Transfer:

Students arriving throughout the day in Nice will be transferred to the sister campus in Antibes (just 20 mins from Nice airport), where they can relax, attend an initial welcome meeting with school group leaders, have a snack and await the arrival of other students prior to the transfer to Hyeres. Generally there will be a mid afternoon bus (14.00hrs approx\*) and then a late transfer bus (20.30hrs\*) with group leaders to Hyeres. It takes 1.30 to 2hrs to reach Hyeres, and we recommend the latest arrival time in Nice is around 18.00hrs on the Sunday\*.

*\* Bus times will vary depending on student arrivals. If you arrive too late for the final bus you will either be transferred by a late mini bus with a group leader or spend the night at the Campus in Antibes and travel to Hyeres on Monday morning.*

You are welcome to arrive/depart on Saturday or Sunday of any weekend the college is open, but if not arriving on Sunday, or departing on Saturday a supplement will be applied per extra night.

# Your Questions answered

CESA has been offering French courses in Hyeres for teenage students for many years and we have dealt with numerous parental/student questions in that time. We enclose the answers to some of the questions we hear. If you have others, please let us know. We are always happy to talk about the programmes so that you feel your understanding of the course is complete before you decide to book a programme.

## How are the French courses organised?

The French school organises courses for young people offer a teaching method adapted to the needs and wishes of teenagers students : French grammar (20% of the course) is immediately put into practice to allow each student to progress quickly. Fun and creative activities are organised, often in small groups to stimulate conversation (some locations include the opportunity for students to converse with the local people through taking surveys and asking questions). The study of the French language and regional culture is approached through the exploration of real-life documents and topics of interest to the young audience.

## How is the first day organised?

You will be greeted at school by your group leaders on Monday at 8.45am. In the morning, after having met your group leaders and organisers there is a visit of the city with other young students. The school staff will also provide you with the programme of that week's activities.

At 1.30pm, you will take a written and oral test (alone with a teacher), which will allow us to determine your level of French and assign a class to you. Your name, the number of your classroom and the first name of your teacher will be posted the following morning in the school hall.

## How will the weekly schedule look?

Monday morning : presentation of the group leaders and teachers, visit of the city  
Monday afternoon : evaluation test to determine your level of French (written and oral)  
Every morning of the week : Standard French class lessons  
Every afternoon of the week : activities, excursions or intensive courses (Tuesday and Thursday)  
Evenings : themed activities, games, video, Pub, Disco, barbecue

## Is it possible to book courses only?

Yes it is. Please discuss your requirements with CESA staff.  
You can also book meals and activities as a supplement to your French tuition (whilst living with your family nearby).

## Who will my teacher be?

Your teachers are all specialised in teaching young people. They all meet the criteria of teaching standards required in Europe. They all are graduated of French universities.

## Is there a certificate or diploma at the end of my courses?

A certificate is awarded to every student at the end of their stay. Progress is carefully evaluated and recorded.

## What is the maximum number of students in the classroom?

For the Standard courses, there is a maximum of 15 students per class.  
For the Intensive courses, there is a maximum of 6 students per class in the afternoon classes.

**How many class levels are offered?**

There are 4 levels of courses : Beginner, Elementary, Intermediate, Advanced.

**Can I be in the same class as a friend?**

Yes, as long as you both have the same level of French.

**Do I need to bring my own school material?**

You will need to bring a pen and a notebook (or a binder).

**Are there classes on national holidays?**

There will be no classes on public holidays but our group leaders do offer activities or excursions. The only date affected in 2012 : 15th August

**What's the course timetable?**

Standard Course : 08.45am to 12noon

Intensive courses : As Standard Course + Tuesday & Thursday PM 2pm to 4.15pm

**What are the nationalities of the other students?**

80% are European (mainly they will be German, Spanish Italian and English speakers)  
20% other nationalities

**What is the average age of the students?**

17% of our students are aged 11-14yrs

83% are aged 15-17yrs.

**Will I share a room with someone the same nationality?**

To help you practice your French language outside the classroom, we try to accommodate you in a room with students of nationalities and mother tongues different from your own. Of course we cannot guarantee that the other student will not also speak your language.

**Can I share my room with a friend?**

Yes, if you request this upon booking.

**Will I have my own room?**

Single rooms are not available at the Hyeres Campus.

**Is it possible to modify my booking?**

It is possible but the school will apply an additional fee.

See our terms and conditions section.

**When should I arrive?**

Arrivals are scheduled for Sunday and departures for Saturday.

An additional day is authorized in some cases, but the transfer to the airport or railway station is then only offered at an additional rate. We strongly recommend you keep to the set arrival/departure dates. Those who chose the Hyères programme and arrive at the Nice airport, need to be there before 6.00pm.

**When do I need to book my stay?**

The sooner the better. Last minute bookings are possible, but not recommended and there are always a few dates each summer that we simply can't organise a course for students who book late, due to high student demand.

### **Will I need a visa to study in France?**

For any information regarding visas, passports and authorizations to stays in France, please consult a French consulate or embassy in your country. If you hold a European passport there is no need for a visa. If in doubt, please discuss this with CESA staff.

### **Do I need an insurance?**

European students, remember to bring (or get) an EHIC (European Health Insurance card). You will also need a civil liability insurance. Most private travel insurance will cover students travelling on their own. If in doubt, please contact the CESA staff.

### **What happens if I suffer from allergies or illness?**

Please speak to your group leaders, they will help you. There are procedures in place in the school and on campus. The school staff have dealt with a wide variety of situations over the year and are very helpful.

### **How should I dress?**

Consult the weather before leaving (the sun will generally be shining). To attend courses, please wear clothes suitable for the classroom. Think of bringing a sports outfit for activities, and sailing or beach friendly clothes.

### **Can I bring valuables with me?**

Closets lock with padlocks, but please avoid bringing valuable belongings. The French school will not be responsible for loss or theft. We'd love to say that none of the students would steal from you, but sadly you have to consider the possibility rather than risk loss of personal property.

### **Are there vegetarian meals?**

There is no special meals for vegetarians, but our buffets are diverse and offer vegetarian dishes. Vegetarians choosing to live with a family accommodation will be placed in a family which accommodates vegetarian students – make sure you tell CESA staff if this applies to you when you book!

Parents will be informed of all excesses and if it is deemed necessary a student will be sent home at parental expense.

### How will the students be supervised?

A inspection of the rooms is made every morning. In the evenings, a professional night security guard verifies each student's authorization to go out. There is always one person at the residence or campus gate during the afternoons and nights.

### How do I select the right Going Out Permission?

Almost every student (of relevant age) is given parental permission to go out. Those who are of the right age, but don't have permission often feel isolated from their peer group and ring home to ask their parents to change their minds. Talk to the CESA staff if you have concerns we've helped parents with this before and will be happy to discuss the matter with you.

### How much pocket money should I take?

We recommend 80 to 100 Euros per week. Some students are used to handling more money than others. Budget for more if you wish to participate to additional activities arranged through the Kiosk. Sample prices are quoted under school activities for your information.

### How can my parents contact me?

You can be reached by phone during meal times at the campus. In case of an emergency, please contact the school (number available from June each year) or call CESA and we can email/phone the school on your parents behalf.
