Malaga: Spanish for Teenagers

2012

16/20 yr olds

Malaga is a truly "Spanish" city, set on the Mediterranean coast it has something to please everyone. The city is dynamic by day and night, the seaside promenade is alive with restaurants, pizzerias and cafes and the college is close to it all, yet set in a quiet residential area perfect for study. It is within easy reach by air from Malaga and greatly appeals to our older teenage students. The school has modern air-conditioned classrooms, a multi media centre, a cinema room, a purpose built dance studio, a restaurant & bar, a fabulous sun terrace and a small swimming pool.

NB: This college operates as a year round centre and does not ONLY offer Summer Programmes for 16/20 years.

Standard Programme

- Two, four or six week programmes
- 15 group lessons
- Up to 10 students per class
- 50 minutes per lesson
- Lessons commence on Monday PM
- Monday AM level assessment

In total there are 30 lessons over 2 weeks (unless a day is lost to a public holiday). This is equal to nearly a term of contact lessons at your school in the UK. The course is a classic combination of language course with a programme of cultural, social and sporting activities and is lots of fun! The teaching programme is ALWAYS scheduled for 16.00 – 19.00hrs which means there is plenty of time for excursions, sun-bathing, parties, siestas and of course homework! The course is open to all abilities, from beginner to advanced levels.

NB: This course does not have 24hr course monitors in attendance, for further advice please contact Katherine.

Excursions:

A range of activities are offered (accompanied/supervised by guides) as an inclusive part of this programme including 1/ a daily social/sporting activity – tour of Malaga, dance classes, visit to the bull fight museum, "paella" lesson, beach activities i.e. beach tennis, mini-surfing, football etc, trip to Agupark and more 2/ one full day trip every other weekend i.e. to the prehistoric caves of Nerja & Frigiliana, Seville, Granada or Ronda.

Accommodation:

Option One:

The college has its own year round campus residence, on the same site as the college itself, which gives students access to ALL its many facilities, but does mean that there will be some adult language students on site, and in the residence as well. Students have to purchase their meals as they go (breakfast is generally taken on site, lunches and evening meals may be purchased on site but are frequently taken at one of the numerous cafes/restaurants along the promenade). Set in self contained grounds; the College is 15 minutes from the centre of Malaga by bus and only 5/7 minutes on foot from the nearest beaches.

The residence bedrooms are for one, two or three students are all equipped with small en suite shower/WC rooms (no air conditioning). There are no phones in the rooms, but communal public phones are available on campus. There are a lot of younger students 16 / 22 years of age in the college during the summer months and the campus accommodation comes highly recommended by CESA staff and past Spanish and Fun students.

Option Two:

With local hosts in private households in and around the eastern residential area of Malaga on a breakfast & lunch basis. Evening meals are taken at the college or at a café/restaurant along the promenade. The hosts are generally within a short walk from the college, allow 15/25 minutes. Students are housed in single or shared rooms (with another language student).

Going Out Permission for teenagers: See end of fact sheet for details.
