CESA Languages Abroad

Palma de Mallorca 2012

Palma is a popular language study destination with students of all ages, particularly adults who wish to combine studying with exploring this charming Balearic island.

Set in a beautiful natural bay, Palma has been the capital of Mallorca for over 1000 years & nowadays is a bustling city, with an extraordinarily beautiful Gothic Quarter and many fine monuments and squares. The principle attraction is the golden toned cathedral, which dominates the skyline overlooking the harbour. Modern Palma is a cosmopolitan city with a lively arts scene and nightlife to suit any taste.

The school occupies a large, modern building in the west of the city, near Paseo de Mallorca. The school occupies 3 floors of the building and has 14+ air-conditioned classrooms & a recreational area with several computers (with wifi access), which students are able to use either before or after class.

The college has proved very popular with adults and uni students requiring longer term courses, whilst students following short courses for career, academic or personal reasons are also catered for with a great range of course options.

Palma de Mallorca 2012

Jenny: Standard Course

"Mallorca is paradise. With its rich landscapes and infinite blue skies, learning Spanish here has been a real pleasure!"

Emma : Private Tuition

"I elected to take 2 hours of lessons a day on the basis that anything more intensive would not have allowed time to consolidate (or have any time left for a holiday!). My expectations were met, but I would have liked to have stayed longer. The lessons did consolidate some areas of knowledge and I began to feel more confident using the language actively (in shops etc.).

The one to one lessons were great, I found my teacher charming. The school is in a fantastic location, particularly as I was staying in an apartment in central Palma."

CESA Plus Points:

Palma:

Home to magnificent palaces, avant-garde galleries and museums ~ a thriving cultural scene and an ever-growing number of chic boutiques, hotels and bars & nightclubs ~ there are still plenty of traditional restaurants, locals' bars and pavement cafes in which to while away the hours ~ the fishermen still mend their nets by hand on the harbour's edge ~ the traditional island crafts of glass-blowing, lace-making and olive-wood carving still exist in the small specialist shops of the backstreets ~ it's still easy to get lost in the maze of beautiful ancient alleyways and hidden sun-baked squares of the old town ~ Palma offers something for everyone.

Palma College:

High quality courses, catering for a full range of ability levels ~ ideal for adults & University students year round ~ excellent college with first class facilities ~ Focused, experienced teachers and offers excellent service.
