**John: Private Tuition**

*“Having two tutors each day, meant I had nowhere to hide! The different perspectives and approaches were really helpful and my grammar has greatly improved. Many thanks.”*

**Emily : Combined Course**

*“My expectations were definitely met. The private lessons were particularly enjoyable and beneficial; being virtually identical to the supervisions I have at University. Group lessons were also enjoyable. The location of the school was excellent. The staff and teachers were very approachable. The best parts of the course were the private lessons and meeting so many nice people.*

*Paris is amazing! I've decided thanks to my exploration of the city during the course, to spend a year there, next year, as part of my degree course.*

**Sarah: Mini Group Course (15)**

*“I had three weeks to work on my French and really wanted to get the most out of my time, hence I choose Paris College One – because of the small class sizes. It was the right choice. I had to work hard, but I learnt so much!”*
