# CESA Languages Abroad

## Paris (2) 2012

With 30 years of teaching experience the Paris college offers a wonderful central city study environment to suit ALL linguistic needs (across 10 language levels on general language courses). Paris is historic, modern, cultural, diverse, beautiful & has a night life to suit all tastes.

The year round college facilities include 20 classrooms, an internet room (with wif-fi), a self-study centre and a library on the second floor of an 18<sup>th</sup> c. building, just off the Grands Boulevards within easy reach of all the Parisian sights. A second site is used in the summer specifically for younger students in the southern suburbs of the city. Please discuss with CESA.

The wide range of French language courses on offer include general language courses, French & Law courses, DELF & CCIP exam preparation. The college suits all language learners and is particularly good for students looking to put their French skills into practise or revise prior to exams and Gap students requiring a Languages for Life course for long term study.
