# CESA Languages Abroad

## Rouen 2012

The French language school in Rouen offers a wealth of French courses to suit all needs, from long-term courses to the intensive Private tuition courses and a range of French & Culture/Cookery Courses. For those students that can speak French and want to prove it there is the DELF exam course. Located on the River Seine near the coast, Rouen was a regional capital during Roman times and France's second greatest city in the Middle Ages

Established in 1992, the year round French language school in Rouen is a private, centrally located town building, with its own car park and courtyard. Housed in a modern building on the left bank of the River Seine at Rouen, the school is bright and airy.

With 12 classrooms, the language school can accommodate both the group courses and the smaller intensive group and one-to-one classes, as well. There is a small library and audio visual material including CDs and DVDs available for students and a resource centre with 10 computers for student use, with free internet access. WiFi access is also available for those wishing to use their personal laptops.

The school suits adult language learners, aged 18yrs+ and is particularly good for short refresher courses, Languages for Life courses and their specialised Gourmet French and French/Cookery programmes.

**Charlie: Standard Course**

"The staff were welcoming and the teachers were enthusiastic, adapting the course to suit the needs of the group and really helped us to make good progress. The city was great (much nicer than I'd expected) and my hosts were great too and only a 20 minute walk from the language school. A good 3 weeks course, that really helped me improve my French."

**Giacomo : Standard Course**

"I was there 2 weeks in September and I loved it! The teachers helped a lot when I had problems to understand and then it was really easy for me to follow. It was always very funny and the other people working there were always nice and friendly. We had a great time and we did trips to other places in the region. Very, very beautiful! I had a wonderful experience and I will only go back there to continue to learn French!"
