San Sebastian:

14/17 yr olds

San Sebastian - City, Sea, and Mountains - is the ideal destination to study Spanish especially for teenagers (14-17yrs). San Sebastian offers the best of both worlds : an array of cultural opportunities across a beautiful, unique backdrop yet San Sebastian is small enough to be safe, comfortable, and less overwhelming than its larger European counterparts. During June, July and August this Spanish course is available the programme takes advantage of everything that San Sebastian has to offer combining sports, excursions, culture, history and events.

Standard Programme

One to 12 weeks (generally 2 to 3 wks)
5 classes a day in groups of 4-12 students
45 minutes per lesson
All levels catered for (beginner*/advanced)
organized activities 3 afternoons per week
a full-day excursion every Saturday

* Beginners : see set start dates on following page

There are generally 30/40 students present each week, divided over 3 or 4 language level classes. Teenagers are supervised by a school monitor who coordinates teachers, host families, organisation of activities, and the overall well being of the students. However, students will have two free afternoons as well as all day Sunday to get to know their host family and become familiar with Spanish traditions and culture.

Accommodation

With Spanish hosts - Each student will be placed with a family with whom they will live during their stay here. Breakfast and dinner will take place with the family. This system works well because the student receives the support of a family structure and will be looked after when not participating in school functions.

The families we use for this programme are carefully chosen with the Teenager programme in mind. The student will receive a warm welcome and become another member of the household. Students must respect the programme schedule and inform the family of any outings they have during the designated free time periods.

Extra days are available, on request.

Accommodation includes breakfast and dinner with the family plus a packed lunch.

Families are located 5 to 30 minutes from the school on foot or by public transport.
