# CESA Languages Abroad

## Viareggio 2012

With over 15 years of teaching experience, and between 30 /100 students studying each month the college in Viareggio offers a wonderful language learning environment for ALL linguistic levels, by the beach.

Viareggio is one of the largest beach resorts in Tuscany, and is well known for its art deco style architecture. The name Viareggio comes from the word "Via Regia" which means the King's Road. Viareggio has wide, endless golden sandy beaches, excellent cuisine and exciting nightlife with its well-known "Versillian" discos, at their best during the lively summer months. Beach lovers will enjoy the long seafront beaches and green gardens with palms, oleanders and tamarisks. The more active can enjoy sailing and mountain biking, but many prefer the quieter pursuits of sun bathing and swimming!

The climate is very warm in the summer, with temperatures reaching 30°C, and mild in the winter, dropping to 10°C, which gives the college a year round appeal, though inevitably, it is the summer months that draws the majority of students.

Viareggio is within easy reach of Pisa (less than 15 km away), Florence, Siena and Lucca, so if you want to soak up some culture during your time in Italy, there is always plenty to do and see.

**Ellie: Standard Course**

“Loved studying in this small but smart town. Truly charming; hot sun, barely there suits, and laid back holiday state of mind. Fascinated by the beaches which are run by beach clubs, you rent a chair/umbrella and you have a spot all day. Each club marks off their area of the beach for their customers – not cheap so most students head for the public beach (without the luxuries!)”

**Julia: Standard Course**

“Grammar and conversation lessons in the mornings worked well for me, leaving me (and others) free to beach in the afternoons! My Italian improved (mostly conversational skills.. on the beach, in the bars and in restaurants). Favourite memories, grabbing a 'gelato' heading back from the beach with college friends, then going out to walk the promenade searching for the perfect place to grab food each evening. Chatting with friends and people watching, munching on free olives and peanuts, before fish for dinner. Heaven!”

**CESA Plus Points:**

**Viareggio:**  
With 20 km of beaches along the Versilia coast and many “bagni” (bathing establishments) Viareggio attracts plenty of tourists, mostly Italian. Must sees include ~ the sandy beaches ~ the busy promenade area (the place to be seen for the evening “passeggiata”) ~ visit the Carrara cave (where Michelangelo acquired the Marble for his statue of David) ~ Pinteta di Ponente (a large pinewood park) ~ Piazza Shelley (named after the Poet who drowned along this coast) ~ Museo Cittadella del Carnevale (the official exhibition of floats & masks of the famous Carnival) ~ college arranged trips to Florence or Lucca are always popular. The summer nightlife is lively with clubs & restaurants; pizzerias, beach bars, and trattorias to suit all.

**Viareggio College:**  
Small, friendly College with general (& specialist) Italian courses to suit all linguistic needs ~ fun social programme, includes local visits and excursions and spaghetti parties ~ ideal for all age groups, from 16yrs through to adults looking for quality tuition in a seaside resort ~ very busy in the summer, so early bookings recommended.
