# CESA Languages Abroad

## Vienna 2012

With over 20 years of teaching experience the Vienna college offers a fabulous study environment to suit ALL linguistic needs from beginner through to the advanced learner (across 6+ language levels on general language courses) improving your general German and your communication skills. Lessons in grammar and conversation help you with syntax and vocabulary building. You practice formal and informal letter writing, and work on listening and reading comprehension.

Vienna has a broad appeal. Landmarks such as St Stephen's Cathedral, the Imperial Palace and of course the Spanish Riding School sit comfortably in a city equally renowned for a love of modern art, innovative theatre and a buzzing student scene. Set on the River Danube, the city offers a superb, and safe public transport system with trains, the underground and tram networks, making it an easy place to explore.

The College is situated in a typically Viennese Judendstil building in Vienna's embassy district just 15 minutes by public transport from the city centre (Stephansplatz). The college requires all their teachers to have university degrees and extensive experience teaching German as a Foreign Language. The school houses 6 bright, modern and well furnished classrooms, a multi-media library with 17 computers with free internet access and a spacious student lounge with coffee, drinks, snacks and free Wi-Fi. The college can become fully booked during the summer holidays.
